Dear Maria

Thank you for your kind donation of £195.00 raised from your survey of primary and secondary teachers in England. It is great to see that incentive paid off so well for Barnardo's.

Barnardo's works directly with over 115,000 children, young people and their families every year and we run 394 vital local projects across the UK, including counselling for children who have been abused, vocational training and disability inclusion groups and support for young carers. We do this because we believe in children.

Thank you again for supporting Barnardo's and for believing in children.

Kind regards

Stephen O'Connor
